CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded to a report of a vehicle into several parked cars and a parking structure at the 600 Block of Central. Upon arrival, firefighters found a large SUV that had left the roadway, careening off a tree and crashing through a parking structure before coming to rest against several parked cars. Firefighters were able to quickly remove the driver from the vehicle get him clear of the unstable parking structure. The City of Riverside Fire Departments Technical Rescue Team responded to build temporary shores under the structure so that the vehicles could be safely removed. Additional shores were installed make the structure safe until it can be repaired. The male patient was transported to an area hospital with minor injuries.
